SNC is an Equal
Opportunity Employer

Explore your careers. Empower our heroes.

SNC offers a broad range of internships and co-ops across many U.S. locations and areas of the company to build you a foundation of experience in aerospace and defense. Interns and co-ops are hands-on, where you work directly with some of the brightest and most innovative minds on real-world projects directly related to your field of study.

Internships are 10-12 weeks during the summer months and are full-time paid positions. Internships are available in engineer, cybersecurity, IT, finance, and more.

Take the first step toward launching your career today.

Internship Benefits

- All internships are paid.
- Opportunity to earn a full-time position once you begin your final year of attaining a degree.
- Dedicated University Relations team to guide you through the hiring, training, onboarding, and transition process.
- Networking opportunities and mixers with SNC leaders to build your social and professional networks.
- Career advising, professional development training and an early career transition program.
