20. DISPUTES/ARBITRATION

If the matter has not been resolved through mediation, or if either party will not participate in a mediation, such controversy or claim shall be resolved by means of binding arbitration before a single neutral arbitrator in accordance with the then existing Commercial Arbitration Rules of the American Arbitration Association, including the Optional Rules for Emergency Measures of Protection. The parties shall mutually agree upon the individual who shall act as arbitrator. If the parties are unable to agree upon a neutral arbitrator, a list of potential arbitrators (no more than 10) shall be obtained by Buyer from the American Arbitration Association. The parties, starting with Buyer, will alternately strike names from the list until only one name remains; the remaining person shall be the arbitrator.

No demand for arbitration may be made after the date when the institution of legal or equitable proceedings based on such claim or dispute would be barred by the applicable statute of limitation. The arbitration shall be held in Washoe County, Nevada or any other place agreed upon at the time by the parties. The arbitrator shall issue a reasoned award. Judgment upon the arbitrator's award may be entered in any court having jurisdiction. The arbitrator is not authorized to award punitive or other damages not measured by the prevailing party's actual damages. An award of damages shall include pre-award interest at the legal rate of interest from the time of the act or acts giving rise to the award.

A party may apply to the arbitrator for injunctive relief until an arbitration award is rendered or the dispute is otherwise resolved. A party also may, without waiving any other remedy, seek from any court having jurisdiction any interim or provisional relief that is necessary to protect the rights or property of that party pending the arbitrator's appointment or decision on the merits of the dispute. The arbitrator's compensation and costs shall be shared equally by the parties.

The arbitrator shall require exchange by the parties of (i) the name and, if known, address and telephone number of each person likely to have knowledge of relevant information,

identifying the subjects of the information, and (ii) non-privileged documents, including those in electronic form, that are relevant to the issues raised by any claim, defense or counterclaim or on which the producing party may rely in support of or in opposition to any claim, defense or counterclaim. The arbitrator shall limit such production based on considerations of unreasonable expense, duplication and undue burden. These discovery exchanges shall occur no later than a specified date within 60 days following the appointment of the arbitrator. At the request of a party, the arbitrator may at his or her discretion order the deposition of witnesses. Depositions shall be limited to a maximum of three depositions per party, each of a maximum of four hours duration, unless the arbitrator otherwise determines. The arbitrator may allow such other discovery as he or she determines is reasonably necessary for a fair determination of the dispute. Any dispute or objections regarding discovery or the relevance of evidence shall be determined by the arbitrator. All discovery shall be completed within 120 days following the appointment of the arbitrator, unless the arbitrator otherwise determines.

The prevailing party in any such arbitration shall be entitled to recover its reasonable attorney fees and costs incurred in such proceeding from the non-prevailing party.

Buyer may make a reduction of corresponding amounts (in whole or in part) in the price, or in the costs and fee, of the Agreement with Seller, and/or may demand from Seller payment (in whole or in part) of the corresponding amounts if: (i) Buyer's contract price or fee is reduced; (ii) Buyer's costs are determined to be unallowable; (iii) any fines, penalties or interest are assessed on Buyer; or (iv) Buyer incurs any other costs or damages; as a result of any violation of applicable laws, orders, rules, regulations, or ordinances by Seller, its officers, employees, agents, suppliers, or subcontractors at any tier. Seller shall promptly pay amounts so demanded.

22. BUYER PROPERTY

Seller shall clearly mark, maintain an inventory of, and keep segregated or identifiable all Buyer property and all property to which Buyer acquires an interest by virtue of the Agreement. Except for ordinary wear and tear, Seller assumes all risk of loss, destruction, or damage to such property while in Seller's

possession, custody, or control, and will not use such property other than in performance of the Agreement without Buyer's written consent. Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss. Seller will notify Buyer if Buyer property is lost, damaged, or destroyed. As directed by Buyer, upon completion, termination, or cancellation of the Agreement, Seller shall deliver such property, to the extent not incorporated in delivered end products, to Buyer in good condition subject to ordinary wear and tear and normal manufacturing losses. Nothing in this article limits Seller's use, in its direct contracts with the Government, of property in which the Government maintains title. At the request of Buyer, Seller shall execute any documents, including but not limited to financial statements, required by Buyer to protect its interest in this property. Hourly rates shall be fully burdened and shall include wages, overhead, general and administrative expense and profit. Fractional parts of an hour shall be payable on a prorated basis. Unless provisions in the Agreement specify otherwise, the hourly rate or rates shall not be varied by virtue of Seller having performed work on an overtime basis. No overtime shall be performed without Buyer's written authorization.

Allowable costs of direct materials shall be determined in accordance with Part 31 of the Federal Acquisition Regulation. Reasonable and allocable material handling costs may be included in the charge for material costs to the extent they are clearly excluded from the hourly rate. Buyer will not pay profit or fee on material costs. Seller shall be reimbursed for items and services purchased directly for this Agreement only when cash, checks or other forms of actual payment has been made for such purchased items or services.
- (c) It is estimated that the total cost to Buyer for the performance of this Agreement will not exceed the ceiling price set forth in the Agreement. Seller agrees to use its

best efforts to perform the work specified in the Agreement and all obligations under this Agreement within this ceiling price. If at any time during the performance of this Agreement, Seller has reason to believe that the labor and material costs which will accrue in the performance of this Agreement in the next thirty (30) days when added to all other payments and costs previously accrued, will exceed eighty-five percent of the ceiling price, Seller shall notify Buyer in writing to that effect giving a revised estimate of the total price for performance of this Agreement including supporting reasons and documentation.

- (d) Buyer shall not be obligated to pay Seller any amount in excess of the ceiling price of this Agreement, and the Seller shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in this Agreement.

- (f) Notwithstanding anything else contained herein, Buyer's receipt of payment under the prime contract is an express condition precedent to Buyer's obligation to make payment to Seller under this Agreement. If Buyer makes any payments to Seller prior to receipt of final payment under the corresponding prime contract, those payments by Buyer shall be considered interim in nature and subject to adjustment if the prime contractor determines that Buyer is not entitled to the full amount requested under the prime contract.
- (g) All claims for monies due or to become due from Buyer shall be subject to deduction by Buyer, for any set off or counterclaim arising out of this or any other of Buyer's Agreements with Seller whether such set off or counterclaim arose before or after any such claim or assignment by Seller.

25. PERSONNEL QUALIFICATIONS

If the Agreement specifies minimum qualifications for Seller personnel supporting this Agreement, Seller shall provide personnel that meet or exceed such minimum qualifications. These minimum qualifications are material requirements of the Agreement and Seller recognizes that providing personnel meeting such requirements is essential to the performance of the Agreement. If Seller provides personnel that do not meet the minimum qualifications set forth in an Agreement, Seller shall be in breach of the Agreement.

Seller warrants all Products to be free from defect in design, materials, and workmanship and to conform strictly to the specifications, drawings or samples specified or furnished; to be new and of the most suitable grade of their respective kinds; to be suitable for the purpose intended; and to meet all of the performance requirements. Seller warrants all services provided to be performed at a level of skill consistent with best practices within the related industry. The aforesaid express warranties shall be in addition to any standard warranty or guarantee of Seller, shall be construed as conditions as well as warranties and shall not be exclusive. All warranties shall run to Buyer, its successors, assigned customers, and the users of the Products. Seller agrees to replace or to correct promptly without expense to Buyer, including transportation and handling costs, any Products not conforming to the foregoing requirements when notified by Buyer during a period of twelve (12) months after the Product is placed in service or within twenty-four (24) months of when the Product is delivered to Buyer, whichever is earlier. If Seller, upon notice of any defect, fails promptly to correct or replace Products as required herein, Buyer may, without further notice, correct or replace such Products and Seller agrees to reimburse Buyer for all costs incurred thereby. Products that have been rejected, shall not thereafter be tendered for acceptance unless the former rejection and correction is identified and approved by the Buyer. Repaired or replacement Products shall be subject to the provisions of this article to the same extent as the original supplies. All warranties shall then run from the latter delivery date. Seller shall obtain from its suppliers, subcontractors, and vendors sufficient warranties to ensure that the entire Product, as delivered to Buyer, is covered by a warranty that complies with the terms of this Agreement.

27. DEFECTIVE COST OR PRICING DATA

(a) This Agreement incorporates FAR 52.215-10 "Price Reduction for Defective Certified Cost or Pricing Data." In addition to any other remedies provided by law or under the Agreement, if Buyer is subjected to any liability as the result of Seller or its lower tier subcontractor's failure to comply with the requirement of FAR 52.215-10, then Seller agrees to indemnify and hold Buyer harmless to the full extent of any loss, damage or expense resulting from such failure.

(b) This Agreement incorporates FAR 52.215-11, Price Reduction for Defective Cost or Pricing Data—Modifications. Seller shall provide Buyer with the appropriate IRS Form W-8 (e.g., W-8BEN, W-8BEN-E, W-8IMY, etc.) if the Seller is a non-US entity or IRS Form W-9 if the Seller is a US entity. If Seller fails to provide one of these forms, Buyer may be required under by the Internal Revenue Code to withhold a portion of the amounts due to the Seller. In the event Buyer and Seller have entered into a Non-Disclosure (Proprietary Information) Agreement (NDA/PIA) for the Program which the Agreement has been issued against and that NDA/PIA remains in effect, the NDA/PIA shall govern the treatment of proprietary information. If no NDA has been executed or if an NDA has expired, the following terms shall govern proprietary information exchanged between the parties.

Proprietary information shall be clearly identified by the disclosing party at the time of disclosure. All written proprietary information shall be marked as proprietary prior to disclosure.

Each of the parties agrees to use the same reasonable efforts to protect such information as is used to protect its own proprietary information, but in no case less than reasonable care. Disclosures of such information shall be restricted to those individuals who have a need to know and are directly participating in Agreement efforts.

Neither party shall make any reproduction, disclosure, or use of such proprietary information except as follows:

- (a) Such information furnished by Buyer may be used by Seller in performing its obligations under the Agreement.
- (b) Such information furnished by Seller may be used by Buyer in performing its obligations under the Agreement and in performing its obligations under Buyer's Prime Contract. - (b) If, subsequent to receipt thereof under the Agreement, (i) the information is published by the party furnishing it or is disclosed by the party furnishing it to others without restriction; or (ii) it has been lawfully obtained by the party receiving it from other sources, including the Government, provided such other source did not receive it due to a breach of this clause; or (iii) if such information otherwise comes within the public knowledge or becomes generally known to the public.
- (c) If any part of the proprietary information has been or hereafter shall be disclosed in a United States patent issued to the party furnishing the proprietary information hereunder, then, after the issuance of said patent, the limitations on such proprietary information as disclosed in the patent shall be only that afforded by United States patent laws.
- (d) If the proprietary information is furnished orally, unless such proprietary information was identified as proprietary at the time of disclosure and reduced to writing and marked proprietary within fifteen (15) days of original disclosure and such writing is forwarded to the receiving party and actually received within fifteen (15) days of original disclosure.
- (e) If such proprietary information is obligated to be disclosed under order of a court of competent jurisdiction so long as prompt notice of the order is given to the other party.
- (f) If such proprietary information is disclosed with the written approval of the originating party.

The furnishing of any proprietary information by either party shall not be construed as granting to the other party either expressly, by implication, estoppel, or otherwise, any ownership or license right (other than the limited license to use the information internally for the purpose for which it was provided) under any invention, patent, trade secret, trademark, or copyright now or hereafter owned or controlled by the party furnishing same. The foregoing shall not impact

any license or ownership right in information identified and set forth elsewhere in this document.

Seller shall be responsible for any costs or expenses, including attorney's fees, all expenses of litigation and/or settlement, and court costs, arising from any act or omission of Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of the Agreement.

33. BANKRUPTCY

any bankruptcy act or similar statute is filed by or against Seller and not vacated within ten days after it is filed.

34. WAIVER/SEVERABILITY

The failure of either party to enforce at any time any of the provisions of this Agreement or to exercise any option herein provided shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this Agreement or any part thereof, or the rights of the that party thereafter to enforce each and every such provision. The invalidity in whole or in part of any provision shall not affect the validity of any other provision.

35. TERMINATION/CANCELLATION

Termination for Cause - Performance of work under the Agreement may be terminated by Buyer, in whole or in part, if, within ten days of Buyer's notice to Seller, Seller fails to: (1) cure any material failure to perform, discharge or fulfill its obligations under the Agreement including, but not limited to failure to observe or comply with any of the other instructions, terms, conditions, or warranties applicable to the Agreement, (2) fails to make progress so as to endanger performance of the Agreement, or (3) fails to provide adequate assurance of future performance. (a) Definitions. As used in this clause-

"Combatant Commander" means the Commander of the United States Central Command Area of Responsibility.

"Contractors authorized to accompany the Force," or "CAAF," means contractor personnel, including all tiers of subcontractor personnel, who are authorized to accompany U.S. Armed Forces in applicable operations and have been afforded CAAF status through a letter of authorization. CAAF generally include all U.S. citizen and third-country national employees not normally residing within the operational area whose area of performance is in the direct vicinity of U.S. Armed Forces and who routinely are collocated with the U.S. Armed Forces (especially in non-permissive environments). Personnel collocated with U.S. Armed Forces shall be afforded CAAF status through a letter of authorization. In some cases, Combatant Commander subordinate commanders may designate mission-essential host nation or local national contractor employees (e.g., interpreters) as CAAF. CAAF includes contractors previously identified as contractors deploying with the U.S. Armed Forces. CAAF status does not apply to contractor personnel in support of applicable operations within the boundaries and territories of the United States.

"Designated reception site" means the designated place for the reception, staging, integration, and onward movement of contractors deploying during a contingency. The designated reception site includes assigned joint reception centers and other Service or private reception sites.

"Law of war" means that part of international law that regulates the conduct of armed hostilities. The law of war

encompasses all international law for the conduct of hostilities binding on the United States or its individual citizens, including treaties and international agreements to which the United States is a party, and applicable customary international law.

"Non-CAAF" means personnel who are not designated as CAAF, such as local national (LN) employees and non-LN employees who are permanent residents in the operational area or third-country nationals not routinely residing with U.S. Armed Forces (and third-country national expatriates who are permanent residents in the operational area) who perform support functions away from the close proximity of, and do not reside with, U.S. Armed Forces. Government-furnished support to non-CAAF is typically limited to force protection, emergency medical care, and basic human needs (e.g., bottled water, latrine facilities, security, and food when necessary) when performing

Contractor Personnel Performing in the United States Central Command Area of Responsibility their jobs in the direct vicinity of U.S. Armed Forces. Non-CAAF status does not apply to contractor personnel in support of applicable operations within the boundaries and territories of the United States.

"Subordinate joint force commander" means a sub-unified commander or joint task force commander.

(b) General.

(1) This clause applies to both CAAF and non-CAAF when performing in the United States Central Command (USCENTCOM) Area of Responsibility (AOR).

(2) Contract performance in USCENTCOM AOR may require work in dangerous or austere conditions.

Except as otherwise provided in the contract, the Contractor accepts the risks associated with required contract performance in such operations.

(3) When authorized in accordance with paragraph (j) of this clause to carry arms for personal protection, contractor personnel are only authorized to use force for individual self-defense.

(4) Unless immune from host nation jurisdiction by virtue of an international agreement or international law, inappropriate use of force by contractor personnel authorized to accompany the U.S. Armed Forces can subject such personnel to United States or host nation prosecution and civil liability (see paragraphs (d) and (j)(3) of this clause).

(5) Service performed by contractor personnel subject to this clause is not active duty or service under 38 U.S.C. 106 note.

(c) Support.

(1)(i) The Combatant Commander will develop a security plan for protection of contractor personnel in locations where there is not sufficient or legitimate civil authority, when the Combatant Commander decides it is in the interests of the Government to provide security because-

- (A) The Contractor cannot obtain effective security services;
- (B) Effective security services are unavailable at a reasonable cost; or
- (C) Threat conditions necessitate security through military means.

(ii) In appropriate cases, the Combatant Commander may provide security through military means, commensurate with the level of security provided DoD civilians.

(2)(i) Generally, CAAF will be afforded emergency medical and dental care if injured while supporting applicable operations. Additionally, non-CAAF employees who are injured while in the vicinity of U. S. Armed Forces will normally receive emergency medical and dental care. Emergency medical and dental care includes medical care situations in which life, limb, or eyesight is jeopardized. Examples of emergency medical and dental care include examination and initial treatment of victims of sexual assault; refills of prescriptions for life-dependent drugs; repair of broken bones, lacerations, infections; and traumatic injuries to the dentition. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides emergency medical treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(iii) Medical or dental care beyond this standard is not authorized.

(3) Contractor personnel must have a Synchronized Predeployment and Operational Tracker

(SPOT)-generated letter of authorization signed by the Contracting Officer in order to process through a deployment center or to travel to, from, or within the USCENTCOM AOR. The letter of authorization also will identify any additional authorizations, privileges, or Government support that Contractor personnel are entitled to under this contract. Contractor personnel who are issued a letter of authorization shall carry it with them at all times while deployed.

(4) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the USCENTCOM AOR under this contract.

Assault Prevention and Response Program;

(ii) That the offenses addressed by the definition are covered under the Uniform Code of Military

Justice (see paragraph (e)(2)(iv) of this clause). Other sexual misconduct may constitute offenses under the Uniform Code of Military Justice, or another Federal law, such as the Military Extraterritorial Jurisdiction Act, or host nation laws; and

(iii) That the offenses not covered by the Uniform Code of Military Justice may nevertheless have consequences to the contractor employees (see paragraph (h)(1) of this clause).

(4) The Contractor shall report to the appropriate investigative authorities, identified in paragraph (d)(6) of this clause, any alleged offenses under-
